Subject: Minutes of Seneca PFAS ESI conference call

All:

We have prepared minutes that includes the key discussions and decisions made during our teleconference on Monday, July 15 on the topic of the reviewing the Seneca PFAS ESI data and discussing the path forward.

The attached memorandum covers the discussions on July 15 and does not reflect the additional correspondence related to locations of proposed wells has transpired since this call.

Please review the notes and provide any comments or corrects.

Thanks,

Beth Badik
